The Honorable Rosa DeLauro

Committee on Appropriations
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting community project funding for the Cheyenne Sports Complex Safety and Activity Project in fiscal year 2024. The entity to receive funding for this project is the City of North Las Vegas located at 2250 Las Vegas Blvd. North, Suite 700, North Las Vegas, NV 89030.

This project will increase the safety and activity offerings for a cherished urban core park. Ensuring that residents feel safe in their community parks is essential to improved physical and mental health outcomes through activity and connection with nature.

This project is a valuable use of taxpayer funds because this program will use this investment to increase the safety and activity offerings this park. Some of the improvements for safety will include increased lighting for greater safety, a perimeter fence to manage movement and allow for the park to be secured during events, electronic signage to allow for community information and park direction, additional restrooms so children do not have to cross the entire park, and a park maintenance hub for greater City staff presence and security of the park assets.

The project has a Federal nexus because the funding provided is for purposes authorized by the Community Development Block Grant (CDBG) program: 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
